Dry Reds

93 Waterford The Jem 2005

Stellenbosch, South Africa, Dry Red (Cork), 14.0% abv

This is an extravagant price indeed for a South African red, yet it's no ordinary red, but rather, a fine Bordeaux-style blend, with added dollops of Mourvèdre, Shiraz, Sangiovese and Barbera for good measure. Rich, concentrated and polished with a seductive quality of black cherry fruit, the tannins are fine and the acidity fresh in this truly excellent Cape red.
