South Africa Report Results

Mark Le Roux named Young Winemaker of the Year

"We are so proud to have Tim review 13 of our wines, all of them scoring over 90 points, and three even reaching 95. Over the past years, Tim has really gotten to understand the progress and quality of South African wines over consecutive vintages. His passion and love for South Africa is wonderful - and he is indeed a more avid rugby supporter than most of us!

Great to see passion, hard work and fun turn into great results from the very well respected Tim Atkin"

- Winemaker, Mark Le Roux
