### **Description:**

A lovely transparent pink onion skin colour. Aroma is minerally driven with delicate fresh raspberry and apricot fruit. The well intergrated natural acid leads to an elegantly tangy mouthfeel with a characteristic dry finish. The low sulphur levels are achieved by the great stability of the wines acidity levels.

### **Vintage Review:**

Good long winter, but late rains and cold delaying pruning. Great windless conditions experienced for flowering resulted in a high yield vintage. February temperatures were extremely hot pushing ripening and this made for a quick harvest. Highest recorded tonnages for Waterford Estate. Whites challenging but the red wines have impressed.
